Exemption from levy of customs duty and health cess on medical goods

In light of the prevailing pandemic COVID-19 situation, Central Board of Indirect Taxes and Customs (CBIC) have issued a notification¹ to exempt levy of customs duty and health cess on import of certain medical goods.

The exemption notification shall remain in force till 30 September 2020 and the benefit of exemption shall be available on the import of following:

Chapter heading	Description
9018 or 9019	Ventilators
63 or any chapter	Face masks and surgical Masks
62 or any chapter	Personal protection equipment (PPE)
30, 38 or any chapter	Covid-19 testing kits
Any Chapter	Inputs for manufacture of the above items, subject to condition that the importer follows the prescribed procedure ² .

Our comments

Based on the various industry representation and considering the immediate requirement of the aforementioned medical goods, an exemption has been granted by the Government.

However, an exemption from levy of GST also, would have helped in reducing the price of these goods.
